

# GK 250 Twin

## MELROSE OFFROADERS

This GK 250 Twin is a large powerful kart in the Melrose range. The fully automatic electric start, four stroke, watercooled motor will impress drivers of all ages. The 250 offers independent adjustable front and rear suspension for soaking up just about any bump.

Comes standard with disk brakes front and rear. Once you've stopped, just put it in reverse and back up.

Also has dual headlights, steel-braided brake lines, chain guards, and dual shoulder and lap belts.
